AM TECH DAY AWARDS 2020
- 5th edition -

REGULATIONS
&
METHODOLOGY

I. AM TECH DAY AWARDS 2020

The AM TECH DAY AWARDS recognise companies specialising in the area of asset management offering the most innovative customer services and technological solutions of the year.

This purely qualitative approach includes, depending on the award categories, answers to a variety of criteria as well as the disruptive aspect and added value of the product, service or project.

II. Award

- Best customer experience award (excluding start-ups less than 5 years old)
- Award for most innovative start-up of the year (reserved for companies less than 5 years old)
- European fintech award – Best international strategy
- Award for most innovative technological solution of the year (excluding start-ups less than 5 years old)
- Award for most innovative business solution of the year
- Award for best sustainable initiative

L'AGEFI reserves the right to remove, add or combine several awards.

III. Reference period

The reference period is from 1 January 2020 to 1 September 2020.

IV. Participation criteria

All companies active in Europe in the area of asset management are eligible to apply for the AM TECH DAY AWARDS. To compete, the participating company should tick the box or boxes corresponding to the award(s) for which they would like to compete. They should then fill in the pages associated with the award concerned within the application form.

For each award for which they are competing, the participating company can attach a PowerPoint of a maximum of four slides or a video of a maximum of three minutes.

V – How to take part

The completed application form should be sent to Ségolène Pintaud (see contact details at the end of the regulations) no later than 24 July 2020.

The application fee is €590 excluding tax, or €708 including tax, and entitles you to one badge to access the event.
